### How To Make Your Carpets Look Like New?

Replacing carpets after accidents, spills and hard to remove dirt can be very expensive. That's why we at Ernie's Carpet & Upholstery Cleaners are busier than ever with our professional carpet cleaning service because more and more people want clean, fresh carpets at a very affordable price.

We help your Carpets look like new as well as give you big savings on getting your carpets professionally cleaned by us. Protecting the money you've spent on quality carpets.

OUR FIVE-STEP CARPET CLEANING PROCESS combined with our expert technician top of the line, truck-mounted and powered hot water extraction method removes the deepest dirt, spots,

allergens, and cleaning solution.

STEP

Detailed Carpet Inspection & Analysis

1

Our cleaning technicians will do a careful analysis of your carpet to identify the material of your carpet to use the correct cleaning process for your unique carpet.

STEP

Spot Cleaning

2

Our technicians will begin to remove spots giving special attention to high traffic areas, and identify the origin of the spots to use the correct cleaning process.

STEP

Deep Steam Cleaning

3

Our technicians will inject deep within carpet fibers our cleaning solution. Our industry's most advanced carpet cleaning system will extract the deepest dirt, soil based stains, oil-based stains, allergens and cleaning solution.

STEP	Fiber rinse
4	To completely remove the cleaning solution and provide softer cleaning carpet the fiber rinse is applied. It also speeds drying time with our top of the line turbo air movers.

STEP

5

Grooming

Your carpet is groomed, allowing it to dry faster and distribute the carpet protector and deodorizer evenly.
